

Dear Parent or Guardian,

Children are the greatest gift any man or woman can receive, and we appreciate your expressed interest in KidZone Christian Preschool. Please know that careful consideration is made when acceptance is granted into our program. We see the importance in the time and effort you have taken to make sure you place your child in a caring and loving environment. We value the children entrusted to us. Your child will have the opportunity to learn and grow in a safe environment. We bring organization to every classroom that allows for creative minds to think, laugh, play and interact socially and develop on every level, throughout their time with us.

We offer small classes, dedicated Christian teachers, loving childcare staff and a close family atmosphere. We strive for a tradition of excellence by entering into a partnership with parents to bring about the best early childhood education experience for your child. The staff at KidZone Christian Preschool are individuals who are dedicated to this field. The time that your child spends in preschool is one of the most significant and important times that he/she will spend learning in his/her lifetime. The heart of every parent is to offer their child the best by starting them off with a good foundation that will carry them through life. Please allow us to make it a lasting experience for you and your child.

We look forward to hearing from you and setting up a special time for us to meet. We would like to take you on a tour of our facility. Feel free to call us if you have any questions and to make an appointment at (562) 677-3800.

Sincerely,

KIDZONE STAFF
