

AT HOME REFLECTIONS

1. What impacted you the most about the message?
2. What do you think about yourself? Is there any version of you that you don't want to see? How would you describe how you react when it comes to waiting? Share about a time when you persevered. What helped you overcome the obstacles you were facing?
3. What are some ways you could wait and encourage others toward Christlikeness? What changes would you need to make to the words you use? What changes would you need to make in your attitude?
4. How can you rely more on God to help you through these times? Start praying. Be bold and pray with power. Take some time this week to consider who you are and who God is calling you to be during seasons of waiting. Then think about how you can change your mindset to make those changes happen.
